

2011 Recycling calendar

- please leave your recycling and rubbish bags clearly visible on your property boundary by 7am
- recycling and rubbish bags will be delivered to you in **April and May** – except to flats with communal recycling and rubbish bins
- unscrew tops** of plastic bottles before recycling them to make the bottles easier to squash
- recycling and rubbish bags are collected **on the same day**, but not necessarily by the same vehicle

Thank you for recycling your rubbish!

We hope to have reached our recycling target of 41% by April 2011. Please help us to recycle even more this year.
