

NEWSLETTER 14th May 2010

This has been a very busy week for staff and pupils, especially those in Year 2, 3, 4, 5 and 6 who have all been taking tests in maths and English. The children have worked very hard, as have the teachers in preparing them to take these tests.

I would like to thank all the parents who attended the Parents forum yesterday afternoon. It was a valuable meeting where we discussed the Behaviour Policy, and made some amendments. We also discussed the possibility of holding meetings at different times to enable other parents to attend. The next meeting will be at 7pm on the 29th June to discuss "Communication and homework".

I was very pleased that so many parents were able to come to the presentation about how we are planning to take the school forward. It was an opportunity to explain how some of the hard decisions we face have been arrived at and how we propose to find solutions.

Well, life is never dull! As you will now be aware we have OfSTED visiting us on Monday and Tuesday of next week. All parent questionnaires need to be returned to the school office by Monday morning, so that the inspectors can analyse the answers. I would like to say a huge thank you for all the hard work put in by teachers and support staff to ensure that we show our school in the best possible light.

From the Governors

We echo our thanks to those of you who were able to attend the most informative presentation yesterday evening. The governors are fully supportive of the plans to enhance the learning experience and thank you, pupils and staff for all the ideas and suggestions to help us plan the future. We value all our staff very highly and support them wholeheartedly. Please do respect us all and remember not to use open meetings to air personal grievances. Our immediate challenge is OfSTED – life is never easy!
