NEWSLETTER 21st May 2010

I am sure you will all agree the school is looking fantastic at the moment, many thanks to all the staff for their efforts over the last week. The Inspectors have been and gone, thank you for the large number of parents who responded to their questionnaire. I am pleased to say the inspection went as we had expected and we now have to wait for the final verdict, which should be available to parents after the half term break.

The First Responders are offering some valuable first aid training at the school at 7pm on the 25th May. If you haven't already booked your place it is not too late to do so. Please just drop into the office and add your name to the list.

OPEN GARDENS 2010 Sunday 30th May

SCARECROW COMPETITION

Let's have some fun at Open Gardens this year with lots and lots of scarecrows on show in our villages. It's simple, make you own scarecrow and display it in your front garden on Saturday 29th and Sunday 30th May. If you do not live in the village you are welcome to put your scarecrow on display in the front garden of the school on Thursday 27th May.

There will be a cash prize for the best scarecrow as decided by our independent judge.

Please see the school office for a form

A big well done to the boys who play for Bures United; Nathaniel, Ben B, OliverB, Guy and Markus. With a most improved player award for Ben B

Weather and clothes

Thankfully the weather has begun to warm up, which means the children do need to wear a sun hat when they are outside, to protect them from sun stroke. They may still need a jumper for the chillier days when they will still be playing outside.

Cricket Club will resume on Thursday 27th May.
