

NEWSLETTER 28th May 2010

It is hard to believe that we are at another half term, time just flies by! This week we have had a Health and Safety audit in school, which we passed with flying colours. Whilst I write this newsletter Class Two are on their visit to the British Museum and Class Three are cooking a Tudor recipe for a type of bread with caraway seeds.

When we come back after half term we have packed calendar of events including sports day, the FoCS Games evening, class assemblies and the Key Stage Two production.

I hope everyone has a happy and relaxing half term break and comes back refreshed and ready for the fun we will have in the rest of the term.

1 Goal Send My Friend to School

As part of the **Global Campaign for Education** world leaders have promised that by 2015 all children will have a primary education. With only five years to go there are 72 million children missing out on an education completely - nearly half of those children live in Africa. To help raise awareness and remind our leaders we are taking part in **1 Goal send my friend to school**.

The **Send my Friend** theme for 2010 is **1 Goal** to link with the World Cup in South Africa between 11th June and 11th July.

Our children will be making a giant football scarf and we are hoping to watch the first football match of the World Cup after school on the 11th June. More details will follow after half term.
