

NEWSLETTER 30th April 2010

I am really pleased to be able to include a report from the FoCS, letting you know what the money they have raised is going towards. The maths equipment, paid for by the FoCS arrived today and will be a valuable aid to all children's learning. I am also grateful that they are able to subsidise the cost of the Kentwell visit, because without their support the cost of this visit would be extremely high and it is likely that we would not be able to afford to go. The FoCS work extremely hard to organise events, but we do need your support to make them successful.

I am keen to start a parent's forum, where parents can come along and discuss an aspect of the school's life. The first meeting will be on the 13th May at 2pm and we will discuss the Behaviour Policy, which I am in the process of reviewing. All parents are invited to attend.

The new lunch menu is on the reverse of this letter.

Own your own Race Horse, £3 each

**Come and support your school and
enjoy a fun night with friends at the same time?**

Following the success of the quiz night and beetle drive we have been able to purchase cookery equipment for the children, and also a mathematical aid called Numicon. The school now have enough sets for reception and years 1 and 2 to have a set each and a floating set for years 3, 4, 5 and 6. These sets are costly and we hope to be able to purchase more in the near future.

Currently FoCS are raising funds to help with class visits, reducing the cost to your selves, in particular the class three visit to Kentwell Hall. We have some events planned to raise much needed money.

Race night with a difference 8-5-10. Please note if there are not enough tickets sold for this event by Tuesday we will have to cancel.
Games night 18-6-10, social evening of fun and games for all the family with Bar-b-que.
